

HealthTrust Contract Schedule - July 2018

This Contract Schedule provides a list of categories where a bid solicitation is planned. Suppliers interested in receiving an RFP must register as a prospective supplier AND indicate which categories are of interest in their supplier registration profile prior to the start date listed on the Contract Schedule. Please note that registering as a prospective supplier does not guarantee that supplier will be invited to participate in the bid process as suppliers are subject to meeting specific criteria before receiving RFPs. This Contract Schedule will be updated at the beginning of every calendar quarter, so please check back for new or updated information.
