

HealthTrust Contract Schedule - January 2024

This Contract Schedule provides a list of projects where a bid solicitation is planned. Suppliers interested in participating must register as a prospective supplier AND indicate which categories are of interest in their supplier registration profile prior to the start date listed on the Contract Schedule.

Please Note: Registering as a prospective supplier does not guarantee that supplier will be invited to participate in the bid process as suppliers are subject to meeting specific criteria; start dates can and do change; and project processes may change based on the market dynamics of the category at the time of the sourcing event. The Contract Schedule is updated every calendar quarter.
